

CARLOW_W::SetNumber
_of_sony

CARLOW_W::operator=

```
graph LR; A[CARLOW_W::operator=] --> B[CARLOW_W::SetNumber_of_sony];
```

The diagram illustrates a function call. A box on the right, labeled 'CARLOW_W::operator=', has a blue arrow pointing to a box on the left, labeled 'CARLOW_W::SetNumber_of_sony'. The left box has a light gray background, while the right box is white. Both boxes have black borders.
