

SLIGO_W::SetNumber
_of_nokia

SLIGO_W::operator=

```
graph RL; A[SLIGO_W::operator=] --> B[SLIGO_W::SetNumber_of_nokia];
```

The diagram illustrates a function call. On the right, a white rectangular box contains the text 'SLIGO_W::operator='. A dark blue arrow points from this box to the left, where it meets a gray rectangular box. The gray box contains the text 'SLIGO_W::SetNumber_of_nokia'.
